
List of Issuers with No Outstanding Past-Due Share of the Issuer Accounting Support Fee

Determination of Payment under PCAOB Rule 7104(b)

As of March 1, 2025

The following is a list of issuers that have been assessed and have no outstanding past-due share of the issuer accounting support fees of the Public Company Accounting Oversight Board ("PCAOB") and the Financial Accounting Standards Board ("FASB"), as of March 1, 2025.^{1/}

A registered public accounting firm may take the inclusion of an issuer on this list as an indication that the issuer has no outstanding past-due share of the issuer accounting support fee for purposes of PCAOB Rule 7104(b).

This list will be updated at least bi-weekly. If a registered public accounting firm cannot obtain a representation from the issuer or cannot determine by reviewing the list below whether the issuer has no past-due share of the accounting support fee outstanding, the registered public accounting firm may contact the staff by phone at 1-202-207-9294 (Business Days: 9:00 a.m. to 5:00 p.m. ET) or by email at confirm@pcaobus.org.

If you believe an issuer has been excluded from this list in error, please contact the staff by phone at 1-202-207-9294 (Business Days: 9:00 a.m. to 5:00 p.m. ET) or by email at confirm@pcaobus.org.

Additional information about the issuer accounting support fee and the funding process is available in the Frequently Asked Questions ("FAQs") available in the Accounting Support Fee section of the PCAOB's Web site (<http://pcaobus.org/About/Administration/SupportFee/Pages/SupportFeeFAQ.aspx>).

^{1/} Just because an issuer does not appear on this list does not mean that the issuer has outstanding a past-due share of the accounting support fee. Many "issuers," as that term is defined in the Sarbanes-Oxley Act and the Board's rules, are not allocated a share of the issuer accounting support fee of the PCAOB and the FASB under the Board's funding rules and therefore are not on this list even though they have outstanding no past-due share of the accounting support fee. In addition, payments are received periodically by the PCAOB and are not reflected on this list until it is next updated. For more information regarding the determination of payment of accounting support fees by registered accounting firms, please see rule 7104(b).
