Agenda

- Overview of COSO
- **ICIF Project Objectives, Governance and Timetable**
- Areas of Update and Overall Document Structure
- Impact Envisioned on Governance Principles, Fraud Deterrence, and SOX 404, including transition

COSO ICIF Project Objectives

- The overall goal of the project is to update the ICIF Framework originally published in 1992
- Enhancements are not intended to alter the five core components first developed in the original Framework
- However, there may be changes pertaining to the application of these components that could impact how organizations:
 - Design, implement, and test internal controls
 - Report to regulators (e.g., SOX 404)
- The updated Framework will be of relevance to auditors as well as management
- Relevance of the Framework around the globe is intended to be maintained, if not increased

The Committee of Sponsoring Organizations of the Treadway Commission

Project Roles & Responsibilities

COSO Board

- Provide overall ownership of the project
- Nominate the Advisory Council Members
- Oversee PwC and make final decisions on the issues that emerge
- Oversee advisory council, regulatory and other stakeholder dialogue

PwC Project Team

- Manage project execution
- Gather input from stakeholders
- Prepare draft update for public exposure
- Collect and review public comments and draft final documents

Advisory Council

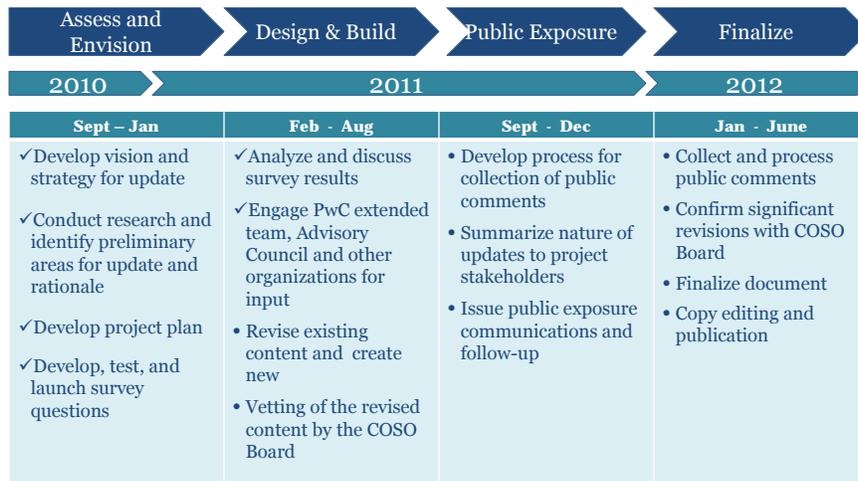

- Serve as a sounding board on ICIF issues arising during input gathering, drafting and exposure stages
- Establish a process for obtaining and synthesizing input from respective sponsoring organization
- Review and comment on draft deliverables

The Committee of Sponsoring Organizations of the Treadway Commission

Document Structure

- Two Products Contemplated:
 - (1) A revised overall Framework encompassing (a) Reporting, (b) Operational and (c) Compliance objectives
 - (2) A companion document focusing on application of the Framework to Financial Reporting Objectives (e.g. SOX 404)
- A focus on 20+ “Principles” drawn from the five components of the Framework
 - It is generally expected that all principles will, to some extent, be present and functioning for a organization to have effective internal control
 - When a principle is not being met, some form of internal control deficiency exists
- “Attributes” representing characteristics associated with the principles

Agenda

- Overview of COSO
- ICIF Project Objectives, Governance and Timetable
- Areas of Update and Overall Document Structure
- **Impact Envisioned on Governance Principles, Fraud Deterrence, and SOX 404, including Transition**

The Committee of Sponsoring Organizations of the Treadway Commission

Impact on Governance

- Will enhance the notion of governance as the concept pervades organizations more broadly than as defined or inferred in the original Framework
- Will incorporate lessons learned from root causes of failures in corporate governance of recent years
- Will make more robust the discussion of “Tone at the Top”

17

The Committee of Sponsoring Organizations of the Treadway Commission

Impact on Fraud Deterrence

- Will expand discussion of safeguarding of assets to include considerations of:
 - Fraud
 - Misrepresentation of financial statements
 - Corruption
- Will incorporate anti-fraud expectations of internal control by expanding on:
 - Control environment to capture anti-fraud expectations in establishing the “Tone at the Top”
 - Risk assessment to consider potential fraud schemes
 - Control activities to address the risk of fraud
 - Information and communication to support anti-fraud program
 - Monitoring to evaluate and report any deficiencies of the anti-fraud program or occurrences of fraud

18

The Committee of Sponsoring Organizations of the Treadway Commission

Impact on SOX 404 Attestation and related transition issues

- Updated Framework intended to remain consistent with SEC suitability criteria
- Updated Framework will be an evolution from the original Framework
 - An appendix to the ICIF will highlight significant changes in the updated Framework as compared with the original framework
 - A companion document will assist organizations in meeting financial reporting objectives
- Greater clarity contemplated around the basis for determining significant deficiencies and material weaknesses
- COSO anticipates that regulators will provide any needed transition guidance to filers
