As used in this section, "the exigencies of that particular situation" shall be defined to require circumstances in which the Governing Board is required to act within a limited period of time or in which the public interest or the protection of investors otherwise prevents the deferral of action until a quorum of non-recused Governing Board members is available.

ARTICLE VII
LIABILITY AND INDEMNIFICATION

7.1. No Personal Liability. No contract entered into by or on behalf of the Corporation shall personally obligate any employee, officer, or Governing Board member of the Corporation, including the employee, officer or Governing Board member authorizing such contract or executing same.

7.2. Indemnification.

- (a) Unless and to the extent otherwise prohibited by law and as otherwise provided in this section 7.2, the Corporation shall indemnify any employee, officer, or Governing Board member, or any former employee, officer, or Governing Board member (each, a "Potential Indemnitee"), against any and all liabilities (including without limitation judgments, fines, and penalties against such Potential Indemnitee) and reasonable expenses (including without limitation reasonable counsel fees and other reasonable related fees) actually and necessarily incurred by or imposed on him or her, in connection with such Potential Indemnitee's defense against any claim, action, suit, or proceeding (whether actual or threatened, civil, criminal, administrative, or investigative, including appeals) (each, a "Proceeding") to which he or she may be or is made a party by reason of being or having been such a Potential Indemnitee (such liabilities and expenses, collectively, "Indemnifiable Amounts"). Notwithstanding the foregoing, Indemnifiable Amounts shall include amounts paid in settlement by a Potential Indemnitee only if such amounts are approved by the Governing Board.
- (b) There shall be no indemnification in relation to matters as to which the Governing Board finds that the Potential Indemnitee acted or omitted to act, in either case in bad faith, or engaged in willful misconduct in the performance of a duty to the Corporation. Prior to making any such finding, the Governing Board shall provide the Potential Indemnitee with at

least ten (10) business days written notice of its intent to consider the matter, within which time the Potential Indemnitee shall have the right to submit relevant written materials to the Governing Board for its consideration.

- (c) In lieu of providing the advancements or indemnification provided for herein, the Corporation may, at its own expense not to be reimbursed by the Potential Indemnitee, undertake the defense of any such Potential Indemnitee, in which case the Governing Board in its discretion may determine whether the Corporation shall reimburse such Potential Indemnitee for any fees and expenses incurred as a result of his or her engagement of separate counsel, whether through advancements or indemnification. The provisions of this subsection 7.2(c) shall not apply to any Proceeding by or in the right of the Corporation.
- (d) Except as otherwise provided herein, within fifteen (15) business days after the Corporation's receipt of a request therefore, and of a written undertaking by the Potential Indemnitee to repay or to reimburse all such amounts if it is determined that such Potential Indemnitee is not entitled to indemnification under this Article, the Corporation shall advance Indemnifiable Amounts to a Potential Indemnitee.
- (e) The provisions of this Article shall be applicable to Proceedings made or commenced after the adoption hereof, whether arising from acts or omissions to act occurring before or after adoption hereof.
- (f) The indemnification and advancements provided by this Article shall not be deemed exclusive of any other rights to which any Potential Indemnitee may be entitled under any applicable law.
- (g) The indemnification and advancements provided by this Article shall not restrict the power of the Governing Board to provide any additional indemnification and advancements permitted by law.
- (h) As a condition precedent to a Potential Indemnitee's right to be indemnified or receive advancements hereunder, he or she shall (i) give to

the Corporation notice in writing directed to the Secretary of the Corporation (or to such other individual as the Corporation may designate) as soon as practicable of any Proceeding made against such Potential Indemnatee for which indemnity will or could be sought, and (ii) other than in connection with a Proceeding by or in the right of the Corporation, provide the Corporation with such information and cooperation as it may reasonably request.

7.3. Insurance. The Governing Board may purchase insurance on behalf of any Potential Indemnatee against any liability which may be asserted against or incurred by him or her that arises out of such person's status as a Potential Indemnatee or out of acts taken in such capacity, whether or not the Corporation would have the power to indemnify such person against that liability under law. To the extent that any applicable insurance is available to respond to any Proceeding addressed in this Article, such insurance shall be exhausted before any payment is made pursuant to the advancement and indemnification provisions in this Article.

Note 1: For the purposes of applying this provision to members of an advisory group convened by the Board, those members shall not be considered to lack independence or objectivity with regard to advisory group matters merely because they (or their employer, business partners or clients) are subject to the direct or indirect oversight of the Board.

 - (2) For purposes of this section, "negotiating prospective employment" means participating in an employment interview; discussing an offer of employment; or accepting an offer of employment, even if the precise terms are still to be developed. Submitting a resume or job application to a group of employers or receiving an unsolicited inquiry of interest that is rejected, do not alone constitute "negotiating prospective employment."

Note 1: As set forth in Section 106(a)(1) of the Act, registration with the Board pursuant to this Rule will not by itself provide a basis for subjecting a foreign public accounting firm to the jurisdiction of the U.S. federal or State courts, other than with respect to controversies between such firms and the Board.

Note 2: The issuance of a consent to include an audit report for a prior period by a public accounting firm, which does not currently have and does not expect to have an engagement with an issuer, broker, or dealer to prepare or issue, or to play a substantial role in the preparation or furnishing of an audit report with respect to any issuer, broker, or dealer will not by itself require a public accounting firm to register under Rule 2100.

Rule 2105. Conflicting Non-U.S. Laws.

(a) An applicant may withhold information from its application for registration when submission of such information would cause the applicant to violate a non-U.S. law if that information were submitted to the Board.

(b) An applicant that claims that submitting information as part of its application would cause it to violate non-U.S. laws must –

- (1) identify, in accordance with the instructions on Form 1, the information that it claims would cause it to violate non-U.S. laws if submitted; and
- (2) include as an exhibit to Form 1 –
 - (i) a copy of the relevant portion of the conflicting non-U.S. law;
 - (ii) a legal opinion that submitting the information would cause the applicant to violate the conflicting non-U.S. law; and

Rule 2106. Action on Applications for Registration.

(a) Standard for Approval.

After reviewing the application for registration, any additional information provided by the applicant, and any other information obtained by the Board, the Board will determine whether approval of the application for registration is consistent with the Board's responsibilities under the Act to protect the interests of investors and to further the public interest in the preparation of informative, accurate, and independent audit reports.

(b) Action on Application.

Unless the applicant consents otherwise, the Board will take action on an application for registration not later than 45 days after the date of receipt of the application by the Board.

- (1) If the Board makes the determination in paragraph (a) of this Rule, the Board will approve the application.
- (2) If the Board is unable to determine that the standard for approval in paragraph (a) of this Rule is met, or if the Board determines that the application may be materially inaccurate or incomplete, the Board will:
 - (i) request more information from the applicant; or
 - (ii) provide the applicant with written notice of a hearing, pursuant to the Board's procedural rules governing disciplinary proceedings, to determine whether to approve or disapprove the application. Such notice will specify, in reasonable detail, the proposed grounds for disapproval. Such notice may, at the applicant's election, be treated as a written notice of disapproval for purposes of Section 102(c) of the Act.

(c) Requests for More Information.

If the Board requests more information from an applicant, and such applicant submits the requested information to the Board, the Board will treat the application, as supplemented by the requested information, as if it were a new application for purposes of paragraph (b) of this Rule. The Board will take action on such supplemented applications as soon as practicable, and not later than 45 days after receipt of the supplemented application by the Board. If such firm declines to provide the requested information, or fails to do so within a reasonable amount of time, the Board may deem the application incomplete for purposes of paragraph (b)(2) of this Rule, may deem the application not to have been received in accordance with Rule 2102, or may take such other action as the Board deems appropriate.

Rule 2107. Withdrawal from Registration

(a) Request for Leave to Withdraw

Subject to the limitation described in paragraph (e), a registered public accounting firm's registration with the Board shall be deemed withdrawn if the firm requests leave to withdraw by filing a completed Form 1-WD and

- (1) the Board grants leave to withdraw, or
- (2) the Board does not, within 60 days of receipt of the request, order that withdrawal of the firm's registration be delayed.

(b) Form 1-WD

(1) A request for leave to withdraw shall be filed on Form 1-WD in accordance with the instructions contained therein. A completed Form 1-WD shall include, among other things, a statement signed by an authorized partner or officer of the firm certifying that the firm is not currently, and will not during the pendency of its request for leave to withdraw be, engaged in the preparation or issuance of, or playing a substantial role in the preparation or furnishing of, an audit report, other than to issue a consent to the use of an audit report for a prior period.

(2) The contents of a completed Form 1-WD shall be non-public. The Board shall publicly disclose the identity of any firm as to which a request for leave to withdraw is pending and the date that the Board received a completed Form 1-WD.

Public Company Accounting Oversight Board
Bylaws and Rules – Rules – Registration and Reporting

(c) Effect of Filing

Beginning on the date of Board receipt of a completed Form 1-WD, and continuing for as long as the Form 1-WD is pending –

(1) the firm shall not engage in the preparation or issuance of, or play a substantial role in the preparation or furnishing of, an audit report, other than to issue a consent to the use of an audit report for a prior period;

(2) the firm's obligation to file annual reports on Form 2, and special reports on Form 3 shall be suspended;

(3) the Board shall have the discretion to forego any regular inspection that would otherwise commence pursuant to Rule 4003(a) or Rule 4003(b); and

(4) the firm's registration status shall be designated as "registered – withdrawal request pending," and the firm shall not publicly represent its registration status without specifying it as "registered – withdrawal request pending."

(d) Board Action

Within 60 days of Board receipt of a completed Form 1-WD, the Board may order that withdrawal of registration be delayed for a period of up to eighteen months from the date of such receipt if the Board determines that such withdrawal would be inconsistent with the Board's responsibilities under the Act, including its responsibilities to conduct –

(1) inspections to assess the degree of compliance of each registered public accounting firm and associated persons of that firm with the Act, the rules of the Board, the rules of the Commission, or professional standards, in connection with its performance of audits, issuance of audit reports, and related matters involving issuers, brokers, or dealers; or

(2) investigations or disciplinary proceedings with respect to any act or practice, or omission to act, by a registered public accounting firm, any associated person of such firm, or both, that may violate any provision of the Act, the rules of the Board, the provisions of the securities laws relating to the preparation and issuance of audit reports and the obligations and liabilities of accountants with respect thereto, including the rules of the Commission issued under the Act, or professional standards.

(e) Automatic Delay of Withdrawal for Pending Disciplinary Proceedings

If, on the 60th day after the Board's receipt of a Form 1-WD or at the conclusion of any period for which the Board has ordered that withdrawal be delayed, there is

Public Company Accounting Oversight Board
Bylaws and Rules – Rules – Registration and Reporting

pending any Board disciplinary proceeding against the firm that filed the Form 1-WD or against any associated person of that firm, or there is pending any Commission or court review of a Board sanction against such firm or person, the requested withdrawal from registration shall not take effect before the completion of all such disciplinary proceedings and reviews, unless the Board orders otherwise.

(f) Withdrawal of Form 1-WD

A registered public accounting firm that has submitted a Form 1-WD may withdraw the form at any time by filing with the Board a written notice of intent to withdraw the Form 1-WD along with any annual fee, annual report, and special report that the firm would have been required to submit during the period that the Form 1-WD was pending if not for the provisions of paragraph (c)(2).

(g) Withdrawal Voided for Material Inaccuracies or Omissions

If the Board determines, within three years after the date a firm's registration is deemed withdrawn, that there are reasonable grounds to believe that a firm that has withdrawn from registration filed with the Board a Form 1-WD that was materially incomplete or materially inaccurate on the date of filing, such firm's registration shall be reinstated, effective retroactively to the date the registration was deemed withdrawn.

(h) Constructive Withdrawal Requests

The Board may treat a registered public accounting firm's consecutive failures to file annual reports and to pay annual fees as a constructive request for leave to withdraw from registration and may deem the firm's registration withdrawn, if –

(1) The firm, for at least two consecutive reporting years, has not filed an annual report and has not paid an annual fee;

(2) The Board sends a written notice of the delinquent annual reports and annual fees and the impending withdrawal of the firm's registration (the "Notice of Delinquency and Impending Withdrawal") to the firm's primary contact with the Board, as identified in the firm's most recent filing with the Board (the "Firm's Primary Contact"), via a mail or commercial courier service and obtains a confirmation of actual or attempted delivery;

(3) After the Notice of Delinquency and Impending Withdrawal is sent to the Firm's Primary Contact, the Board discloses on its website the identity of the firm, the date the Notice of Delinquency and Impending Withdrawal was sent under paragraph (2), and the date of the impending withdrawal of the firm's registration pursuant to this rule; and

Public Company Accounting Oversight Board

Bylaws and Rules – Rules – Registration and Reporting

(4) Within 60 days after the date the Notice of Delinquency and Impending Withdrawal is sent under paragraph (2), the Firm's Primary Contact does not submit an email to the Registration staff, as directed in the Notice of Delinquency and Impending Withdrawal, notifying the staff of the firm's desire to remain registered with the Board.

Rule 2108. Succeeding to the Registration Status of a Predecessor

(a) In the event that a registered public accounting firm changes its form of organization or changes the jurisdiction under the law of which it is organized, in circumstances that do not involve an acquisition or combination as described in paragraph (b) of this Rule, the entity in its new form shall succeed to the registration status of the predecessor if the new entity is a public accounting firm and files a Form 4 in accordance with Rule 2109.

(b) In the event that a registered public accounting firm is acquired by an entity that is not a registered public accounting firm, or combines with any other entity or entities to form a new legal entity –

(1) if the acquiring entity or the new entity is a public accounting firm that files a Form 4 in accordance with Rule 2109, and the answer provided to each subpart of Item 3.2.e of that Form 4 is "no," that entity shall succeed to the registration status of the registered firm;

(2) if the acquiring entity or the new entity is a public accounting firm that files a Form 4 in accordance with Rule 2109, and the answer provided to any subpart of Item 3.2.e of that Form 4 is other than "no," that entity shall not succeed to the registration status of the registered firm; provided, however, that if that entity represents on Form 4 that it has filed, or that it intends to file within 45 days of the effective date of the acquisition or combination, an application for registration on Form 1, then –

(i) subject to the qualifications in subparagraphs (ii), (iii), and (iv), that entity shall temporarily succeed to the registration status of the registered firm for a transitional period, but that registration will cease to be effective on the earlier of the date that the entity's application on Form 1 is approved or the date that is 91 days after the effective date of the acquisition or combination as reported on Form 4;

(ii) subject to the qualifications in subparagraphs (iii) and (iv), if the acquisition or combination took effect before the effective date of

this rule, that entity shall temporarily succeed to the registration status of the registered firm for a transitional period, but that registration will cease to be effective on the earlier of the date that the entity's application on Form 1 is approved or the date that is 91 days after the effective date of this rule;

(iii) if the Board requests additional information from the entity pursuant to Rule 2106(c) with less than 60 days remaining in the original transitional period, the entity's temporary succession to registration status shall continue to the date that is 60 days after the date of the Board's request; and

(iv) if, after the original transition period has been extended pursuant to subparagraph (iii), the Board makes any further requests for additional information from the entity pursuant to Rule 2106(c), the Board may in its discretion extend the temporary succession to registration status for such finite period as the Board shall specify.

(c) Subject to paragraph (d) of this rule, a public accounting firm that results from events described in paragraphs (a) or (b) of this rule shall not, in the absence of compliance with the provisions of Rule 2109, succeed to the registration status of a predecessor registered public accounting firm.

(d) Notwithstanding paragraph (c) of this rule, if a public accounting firm's failure to comply with the provisions of Rule 2109 is solely a failure concerning the timeliness of the submission, the firm may request leave to file Form 4 out of time by indicating and supporting that request in accordance with the instructions to the form. The Board will evaluate any such request in light of the relevant facts and circumstances and the public interest and may, in its discretion, grant or deny the request. If the Board grants leave to file the form out of time, the Form 4 shall be deemed filed and the provisions of paragraphs (a) and (b) shall apply as if the Form 4 had been timely filed. A Form 4 that has been submitted out of time may be withdrawn by the firm at any time before the Board has approved or disapproved the request for leave to file out of time.

(f) Unless the requestor requests otherwise, the exhibit containing an explanation supporting a confidential treatment request will be afforded confidential treatment without the need for a request for confidential treatment.

(g) Information as to which the Board grants confidential treatment under this Rule will not be made available to the public by the Board. The granting of confidential treatment will not, however, limit the ability of the Board (1) to provide the information as to which confidential treatment was granted to the Commission, or (2) to comply with any subpoena validly issued by a court or other body of competent jurisdiction. In the event the Board receives such a subpoena, the Board will notify the public accounting firm of such subpoena, to the extent permitted by law, to allow the public accounting firm the opportunity to object to such subpoena.

(h) Pursuant to Section 101(g)(2) of the Act, the Board hereby delegates, until the Board orders otherwise, to the Director of Registration and Inspection the Board's functions under this Rule.

SECTION 3. AUDITING AND RELATED PROFESSIONAL PRACTICE STANDARDS

Part 1 – General Requirements

Rule 3100. Compliance with Auditing and Related Professional Practice Standards.

A registered public accounting firm and its associated persons shall comply with all applicable auditing and related professional practice standards.

[Effective pursuant to SEC Release No. 34-48730, File No. PCAOB-2003-05 (October 31, 2003)]

Rule 3101. Certain Terms Used in Auditing and Related Professional Practice Standards

(a) The Board's auditing and related professional practice standards use certain terms set forth in this rule to describe the degree of responsibility that the standards impose on auditors.

(1) **Unconditional Responsibility:** The words "must," "shall," and "is required" indicate unconditional responsibilities. The auditor must fulfill responsibilities of this type in all cases in which the circumstances exist to which the requirement applies. Failure to discharge an unconditional responsibility is a violation of the relevant standard and Rule 3100.

(2) **Presumptively Mandatory Responsibility:** The word "should" indicates responsibilities that are presumptively mandatory. The auditor must comply with requirements of this type specified in the Board's standards unless the auditor demonstrates that alternative actions he or she followed in the circumstances were sufficient to achieve the objectives of the standard. Failure to discharge a presumptively mandatory responsibility is a violation of the relevant standard and Rule 3100 unless the auditor demonstrates that, in the circumstances, compliance with the specified responsibility was not necessary to achieve the objectives of the standard.

Note: In the rare circumstances in which the auditor believes the objectives of the standard can be met by alternative means, the auditor, as part of documenting the planning and performance of the work, must document the information that demonstrates that the objectives were achieved.

(3) **Responsibility To Consider:** The words "may," "might," "could," and other terms and phrases describe actions and procedures that auditors have a responsibility to consider. Matters described in this fashion require the auditor's attention and understanding. How and whether the auditor implements these matters in the audit will depend on the exercise of professional judgment in the circumstances consistent with the objectives of the standard.

Public Company Accounting Oversight Board

Bylaws and Rules – Rules – Professional Standards

Note: If a Board standard provides that the auditor "should consider" an action or procedure, consideration of the action or procedure is presumptively mandatory, while the action or procedure is not.

(b) The terminology in paragraph (a) of this rule applies to the responsibilities imposed by the auditing and related professional practice standards, including the interim standards.

Rule 3211. Auditor Reporting of Certain Audit Participants

(a) For each audit report it issues for an issuer, a registered public accounting firm must file with the Board a report on Form AP in accordance with the instructions to that form.

Note 1: A Form AP filing is not required for an audit report of a registered public accounting firm that is referred to by the lead auditor in accordance with AS 1206, *Dividing Responsibility for the Audit with Another Accounting Firm*.

Note 2: Rule 3211 requires the filing of a report on Form AP regarding an audit report only the first time the audit report is included in a document filed with the Commission. Subsequent inclusion of precisely the same audit report in other documents filed with the Commission does not give rise to a requirement to file another Form AP. In the event of any change to the audit report, including any change in the dating of the report, Rule 3211 requires the filing of a new Form AP

(a) In connection with the preparation or issuance of any audit report, a registered public accounting firm, and its associated persons, shall comply with ethics standards, as described in the AICPA's Code of Professional Conduct Rule 102, and interpretations and rulings thereunder, as in existence on April 16, 2003 (AICPA Professional Standards, ET §§ 102 and 191 (AICPA 2002)), to the extent not superseded or amended by the Board.

(2) Standards Nos. 2 and 3, and Interpretation 99-1 of the Independence Standards Board, to the extent not superseded or amended by the Board.

Note: The Board's Interim Independence Standards do not supersede the Commission's auditor independence rules. See Rule 2-01 of Reg. S-X, 17 C.F.R. § 210.2-01. Therefore, to the extent that a provision of the Commission's rule is more restrictive – or less restrictive – than the Board's Interim Independence Standards, a registered public accounting firm must comply with the more restrictive rule.

Rule 3501. Definitions of Terms Employed in Section 3, Part 5 of the Rules

When used in Section 3, Part 5 of the Rules, unless the context otherwise requires:

(a)(i) Affiliate of the Accounting Firm

The term "affiliate of the accounting firm" (or "affiliate of the registered public accounting firm" or "affiliate of the firm") includes the accounting firm's parents; subsidiaries; pension, retirement, investment or similar plans; and any associated entities of the firm, as that term is used in Rule 2-01 of the Commission's Regulation S-X, 17 C.F.R. § 210.2-01(f)(2).

(a)(ii) Affiliate of the Audit Client

The term "affiliate of the audit client" has the same meaning as that term is defined in Rule 2-01 of the Commission's Regulation S-X, 17 C.F.R. § 210.2-01(f)(4).

(a)(iii) Audit and Professional Engagement Period

The term "audit and professional engagement period" includes both –

(1) The period covered by any financial statements being audited or reviewed (the "audit period"); and

(2) The period of the engagement to audit or review the audit client's financial statements or to prepare a report filed with the Commission (the "professional engagement period") –

(A) The professional engagement period begins when the registered public accounting firm either signs an initial engagement letter (or other agreement to review or audit a client's financial statements) or begins audit, review, or attest procedures, whichever is earlier; and

(B) The professional engagement period ends when the audit client or the registered public accounting firm notifies the Commission that the client is no longer that firm's audit client.

(3) The "audit and professional engagement period" does not include periods ended prior to the first day of the last fiscal year before the issuer first filed, or was required to file, a registration statement or report with the Commission, provided there has been full compliance with applicable independence standards in all prior periods covered by any registration statement or report filed with the Commission.

(a)(iv) Audit Client

The term "audit client" means the entity whose financial statements or other information is being audited, reviewed, or attested and any affiliates of the audit client.

(a)(v) Audit Committee

The term "audit committee" means a committee (or equivalent body) established by and among the board of directors of an entity for the purpose of overseeing the accounting and financial reporting processes of the entity and audits of the financial statements of the entity; if no such committee exists with respect to the entity, the entire board of directors of the entity. For audits of non-issuers, if no such committee or board of directors (or equivalent body) exists with respect to the entity, "audit committee" means the person(s) who oversee(s) the accounting and financial reporting processes of the entity and audits of the financial statements of the entity.

(c)(i) Confidential Transaction

The term "confidential transaction" means –

(1) In general. A confidential transaction is a transaction that is offered to a taxpayer under conditions of confidentiality and for which the taxpayer has paid an advisor a fee.

(2) Conditions of confidentiality. A transaction is considered to be offered to a taxpayer under conditions of confidentiality if the advisor who is paid the fee places a limitation on disclosure by the taxpayer of the tax treatment or tax structure of the transaction and the limitation on disclosure protects the confidentiality of that advisor's tax strategies. A transaction is treated as confidential even if the conditions of confidentiality are not legally binding on the taxpayer. A claim that a transaction is proprietary or exclusive is not treated as a limitation on disclosure if the advisor confirms to the taxpayer that there is no limitation on disclosure of the tax treatment or tax structure of the transaction.

(3) Determination of fee. For purposes of this definition, a fee includes all fees for a tax strategy or for services for advice (whether or not tax advice) or for the implementation of a transaction. These fees include consideration in whatever form paid, whether in cash or in kind, for services to analyze the transaction (whether or not related to the tax consequences of the transaction), for services to implement the transaction, for services to document the transaction, and for services to prepare tax returns to the extent that the fees exceed the fees customary for return preparation. For purposes of this definition, a taxpayer also is treated as paying fees to an advisor if the taxpayer knows or should know that the amount it pays will be paid indirectly to the advisor, such as through a referral fee or fee-sharing arrangement. A fee does not include amounts paid to a person, including an advisor, in that person's capacity as a

Public Company Accounting Oversight Board Bylaws and Rules – Rules – Professional Standards

party to the transaction. For example, a fee does not include reasonable charges for the use of capital or the sale or use of property.

(4) Related parties. For purposes of this definition, persons who bear a relationship to each other as described in section 267(b) or 707(b) of the Internal Revenue Code will be treated as the same person.

(c)(ii) Contingent Fee

The term "contingent fee" means –

(1) Except as stated in paragraph (2) below, any fee established for the sale of a product or the performance of any service pursuant to an arrangement in which no fee will be charged unless a specified finding or result is attained, or in which the amount of the fee is otherwise dependent upon the finding or result of such product or service.

(2) Solely for the purposes of this definition, a fee is not a "contingent fee" if the amount is fixed by courts or other public authorities and not dependent on a finding or result.

(f)(i) Financial Reporting Oversight Role

The term "financial reporting oversight role" means a role in which a person is in a position to or does exercise influence over the contents of the financial statements or anyone who prepares them, such as when the person is a member of the board of directors or similar management or governing body, chief executive officer, president, chief financial officer, chief operating officer, general counsel, chief accounting officer, controller, director of internal audit, director of financial reporting, treasurer, or any equivalent position.

(i)(i) Immediate Family Member

The term "immediate family member" means a person's spouse, spousal equivalent, and dependents.

(i)(ii) Investment Company Complex

The term "investment company complex" has the same meaning as that term is defined in Rule 2-01 of the Commission's Regulation S-X, 17 C.F.R. § 210.2-01(f)(14).

Subpart 1 – Independence

A registered public accounting firm and its associated persons must be independent of the firm's audit client throughout the audit and professional engagement period.

Note 1: Under Rule 3520, a registered public accounting firm or associated person's independence obligation with respect to an audit client encompasses not only an obligation to satisfy the independence criteria applicable to the engagement set out in the rules and standards of the PCAOB, but also an obligation to satisfy all other independence criteria applicable to the engagement, including the independence criteria set out in the rules and regulations of the Commission under the federal securities laws.

Note 2: Rule 3520 applies only to those associated persons of a registered public accounting firm required to be independent of the firm's audit client by standards, rules or regulations of the Board or Commission or other applicable independence criteria.

[Effective pursuant to SEC Release No. 34-53677, File No. PCAOB-2006-01 (April 19, 2006)]

Rule 3522. Tax Transactions

A registered public accounting firm is not independent of its audit client if the firm, or any affiliate of the firm, during the audit and professional engagement period, provides any non-audit service to the audit client related to marketing, planning, or opining in favor of the tax treatment of, a transaction –

(a) **Confidential Transactions** – that is a confidential transaction; or

(b) **Aggressive Tax Position Transactions** – that was initially recommended, directly or indirectly, by the registered public accounting firm and a significant purpose of which is tax avoidance, unless the proposed tax treatment is at least more likely than not to be allowable under applicable tax laws.

Note 1: With respect to transactions subject to the United States tax laws, paragraph (b) of this rule includes, but is not limited to, any transaction that is a listed transaction within the meaning of 26 C.F.R. § 1.6011-4(b)(2).

Note 2: A registered public accounting firm indirectly recommends a transaction when an affiliate of the firm or another tax advisor, with which the firm has a formal agreement or other arrangement related to the promotion of such transactions, recommends engaging in the transaction.

[Effective pursuant to SEC Release No. 34-53677, File No. PCAOB-2006-01 (April 19, 2006)]

Rule 3523. Tax Services for Persons in Financial Reporting Oversight Roles

A registered public accounting firm is not independent of an issuer audit client if the firm, or any affiliate of the firm, during the professional engagement period provides any tax service to a person in a financial reporting oversight role at the issuer audit client, or an immediate family member of such person, unless –

(a) the person is in a financial reporting oversight role at the issuer audit client only because he or she serves as a member of the board of directors or similar management or governing body of the audit client;

(b) the person is in a financial reporting oversight role at the issuer audit client only because of the person's relationship to an affiliate of the entity being audited –

(1) whose financial statements are not material to the consolidated financial statements of the entity being audited; or

(2) whose financial statements are audited by an auditor other than the firm or an associated person of the firm; or

Public Company Accounting Oversight Board

Bylaws and Rules – Rules – Professional Standards

(c) the person was not in a financial reporting oversight role at the issuer audit client before a hiring, promotion, or other change in employment event and the tax services are –

(1) provided pursuant to an engagement in process before the hiring, promotion, or other change in employment event; and

(2) completed on or before 180 days after the hiring or promotion event.

Note: In an engagement for an issuer audit client whose financial statements for the first time will be required to be audited pursuant to the standards of the PCAOB, the provision of tax services to a person covered by Rule 3523 before the earlier of the date that the firm: (1) signed an initial engagement letter or other agreement to perform an audit pursuant to the standards of the PCAOB, or (2) began procedures to do so, does not impair a registered public accounting firm's independence under Rule 3523.

(2) any compensation arrangement or other agreement, such as a referral agreement, a referral fee or fee-sharing arrangement, between the registered public accounting firm (or an affiliate of the firm) and any person (other than the audit client) with respect to the promoting, marketing, or recommending of a transaction covered by the service;

Rule 3525. Audit Committee Pre-approval of Non-audit Services Related to Internal Control Over Financial Reporting

In connection with seeking audit committee pre-approval to perform for an issuer audit client any permissible non-audit service related to internal control over financial reporting, a registered public accounting firm shall –

- (a) describe, in writing, to the audit committee of the issuer the scope of the service;
- (b) discuss with the audit committee of the issuer the potential effects of the service on the independence of the firm; and

Note: Independence requirements provide that an auditor is not independent of his or her audit client if the auditor is not, or a reasonable investor with knowledge of all relevant facts and circumstances would conclude that the auditor is not, capable of exercising objective and impartial judgment on all issues encompassed within the accountant's engagement. Several principles guide the application of this general standard, including whether the auditor assumes a management role or audits his or her own work. Therefore, an auditor would not be independent if, for example, management had delegated its responsibility for internal control over financial reporting to the auditor or if the auditor had designed or implemented the audit client's internal control over financial reporting.

- (c) document the substance of its discussion with the audit committee of the issuer.

SECTION 4. INSPECTIONS

Rule 4000. General

(a) Every registered public accounting firm shall be subject to all such regular and special inspections as the Board may from time-to-time conduct in order to assess the degree of compliance of each registered public accounting firm and associated persons of that firm with the Act, the Board's rules, the rules of the Commission, and professional standards, in connection with its performance of audits, issuance of audit reports, and related matters involving issuers.

(b) In furtherance of the Board's inspection process, the Board may at any time request that a registered public accounting firm provide to the Board additional information or documents relating to information provided by the firm in any report filed pursuant to Section 2 of these Rules, or relating to information that has otherwise come to the Board's attention. Any request for information or documents made pursuant to this Rule, and any information or documents provided in response to such a request, shall be considered to be in connection with the next regular or special inspection of the registered public accounting firm.

Note: Where amendments to an order instituting proceedings are intended to correct an error, to conform the order to the evidence or to take into account subsequent developments which should be considered in disposing of the proceeding, and the amendments are within the scope of the original order, either a hearing officer or the Board has authority to amend the order. Since, however, the Board has not delegated its authority to authorize orders instituting proceedings, hearing officers do not have authority to initiate new charges or to expand the scope of matters set down for hearing beyond the framework of the original order instituting proceedings.

(b) Procedure

An offer of settlement shall state that it is made pursuant to this Rule; shall recite or incorporate as a part of the offer the provisions of paragraphs (c)(2) and (3) of this Rule; shall be signed by the person making the offer, not by counsel; and shall be submitted to the Director of Enforcement and Investigations.

(ii) any right to claim bias or prejudgment by the Board based on the consideration of or discussions concerning settlement of all or any part of the proceeding.

(4) If the Board rejects the offer of settlement, the person making the offer shall be notified of the Board's action and the offer of settlement shall be deemed withdrawn. The rejected offer shall not constitute a part of the record in any proceeding against the person making the offer. Bylaws and Rules – Rules – Investigations and Adjudications

(ii) any document accessed from generally available public sources, such as legal research or other subscription databases, databases of securities filings, databases of periodicals, and public web sites, except to the extent that the interested division intends to introduce such documents as evidence;

(iii) any other document that is privileged, including any other document protected by the attorney work product doctrine;

(iv) any document that would disclose the identity of a confidential source; and

(v) any other document that the staff identifies for the hearing officer's consideration as to whether the document may be withheld as not relevant to the subject matter of the proceeding or otherwise for good cause shown.

(2) Nothing in this paragraph (b), or in paragraph (a)(2) above, authorizes the interested division in connection with a disciplinary proceeding or hearing on disapproval of registration to withhold documents that contain material exculpatory evidence.

(c) Procedures Concerning Withheld Documents

(1) The interested division shall, at the time it makes documents available to a respondent under this rule, provide the respondent with a log of documents withheld pursuant to paragraph (b)(1)(iii) of this Rule. The log shall provide the same information that a person would be required to supply to the Board under Rule 5106 in connection with a privilege assertion. On a motion by any respondent, a hearing officer may, in his or her discretion, require the interested division to submit any document listed on the log for inspection by the hearing officer in camera. A hearing officer may order that any such document be made available to a respondent for inspection and copying only if the hearing officer determines that the document is not a document described in paragraph (b)(1)(iii).

(2) The interested division shall, at the time it makes documents available to a respondent under this rule, provide the hearing officer and each respondent with a list of documents withheld pursuant to paragraph (b)(1)(iv) or (b)(1)(v) of this Rule and a brief description of the reason for withholding each document. The list provided to the respondent may be redacted as necessary to protect interests related to the interested division's reason for withholding the document. The hearing officer may require the interested division to submit any such document for inspection by the hearing officer in camera. The hearing officer may order that any such document be made available to the respondent for inspection and copying only if the hearing officer determines that –

Public Company Accounting Oversight Board
Bylaws and Rules – Rules – Investigations and Adjudications

(i) with respect to any document withheld pursuant to paragraph (b)(1)(iv) –

(A) producing the document would not have the effect of identifying a confidential source; or

(B) the document contains material, exculpatory evidence, provided, however, that to the extent such evidence can be disclosed without disclosing the identity of a confidential source, such identity shall not be disclosed.

(ii) with respect to any document withheld pursuant to paragraph (b)(1)(v) –

(A) the document is relevant to the subject matter of the proceeding and no good cause exists for withholding it; or

(B) the document contains material, exculpatory evidence.

(d) Timing of Inspection and Copying

Unless otherwise ordered by the Board or the hearing officer, the interested division shall make documents available for inspection and copying to any respondent who is not in default under Rule 5409 no later than 14 days after the institution of proceedings pursuant to Rule 5200(a)(1), Rule 5200(a)(2), or Rule 5500, and no later than 7 days after proceedings have been instituted solely pursuant to Rule 5200(a)(3).

(e) Place of Inspection and Copying

Documents subject to inspection and copying pursuant to this Rule shall be made available to a party for inspection and copying at the Board office where they are ordinarily maintained, or at such other place as the parties, in writing, may agree. A party shall not be given custody of the documents or leave to remove the documents from the Board's offices pursuant to the requirements of this Rule other than by written agreement of the interested division. Such agreement shall specify the documents subject to the agreement, the date they shall be returned and such other terms or conditions as are appropriate to provide for the safekeeping of the documents.

(f) Copying Costs and Procedures

A party may obtain a photocopy of any documents made available for inspection. The party shall be responsible for the cost of photocopying. The respondent shall be given access to the documents at the Board's offices or such other place as the parties may agree during normal business hours for copying of documents at the respondent's expense.

(g) Failure to Make Documents Available – Harmless Error

In the event that a document required to be made available to a party pursuant to this Rule is not made available by the interested division, no rehearing or rededecision of a proceeding already heard or decided shall be required, unless the party shall establish that the failure to make the document available was not harmless error.

Note: The interested division's obligation under this Rule relates to documents obtained by that division. Documents located only in the files of other divisions or offices are beyond the scope of the Rule, except that documents located in the files of other divisions and that the interested division intends to introduce as evidence shall, for purposes of this Rule, be treated as if they have been obtained by the interested division and must therefore be made available under this Rule.

Rule 5423. Production of Witness Statements

(a) Availability

Upon motion by any respondent in a disciplinary proceeding, the hearing officer may order that the interested division produce for inspection and copying any statement of any person called or to be called as a witness by the division that pertains, or is expected to pertain, to his or her direct testimony and that would be required to be produced pursuant to the Jencks Act, 18 U.S.C. § 3500, if the Board were a governmental entity. Such production shall be made at a time and place fixed by the hearing officer and shall be made available to any party, provided, however, that the production shall be made under conditions intended to preserve the items to be inspected or copied.

(b) Failure to Produce - Harmless Error

In the event that a statement required to be made available for inspection and copying by a respondent is not turned over by the interested division, no rehearing or rededecision of a proceeding already heard or decided shall be required unless the

respondent establishes that the failure to turn over the statement was not harmless error.

(c) Definition of Statement

Rule 5424. Accounting Board Demands and Commission Subpoenas

(a) Accounting Board Demands and Requests

In connection with any hearing ordered by the Board, a party may request the issuance of an accounting board demand of a registered public accounting firm or an associated person of such a firm, or an accounting board request of any other person. Such a demand or request may call for the attendance and testimony of a witness at the designated time and place of the hearing or for the production of documentary or other tangible evidence returnable at any designated time or place. Unless made on the record at a hearing, an application for issuance of such a demand or request shall be made in writing and served on each party. A party whose application for such a demand or request has been denied or modified may not submit any other application seeking substantially the same testimony or other evidence specified in the denied application or excluded from an otherwise granted application.

(1) Unavailability of Hearing Officer

In the event that the hearing officer assigned to a proceeding is unavailable, any member of the Board, or other person designated by the Board for this purpose, may grant an application for the issuance of an accounting board demand or request. A party seeking such issuance may submit the application to the Secretary, who shall direct it to a person authorized to grant the request, deny the request, or grant the request with modifications.

(2) Signing May be Delegated

A hearing officer may authorize issuance of an accounting board demand, or an accounting board request, and may delegate the manual signing of the demand or request to any other person.

(3) Standards for Issuance

Where it appears that an application for an accounting board demand or request is reasonable in scope and is reasonably calculated to encompass, or lead to the

discovery of, admissible evidence, the application shall be granted. If it appears that the accounting board demand or request sought may be unreasonable, oppressive, excessive in scope, unduly burdensome, designed to seek irrelevant information, or sought for the purpose of harassment or delay, the application shall be denied. The hearing officer or other person ruling on the application may, in his or her discretion, as a condition precedent to the issuance of the demand or request, require the party seeking the demand or request to show the general relevance and reasonable scope of the testimony or other evidence sought. After consideration of all the circumstances, the hearing officer or other person ruling on the application may grant the application upon such conditions or with such modifications as fairness requires. In making the determination, the hearing officer or other person ruling on the application may inquire of the parties whether they will stipulate to the facts sought to be proved.

Note: Whenever possible, the parties should explore the extent to which stipulations of fact may obviate the need for issuance of accounting board demands and requests to non-parties, and the hearing officer or other person ruling on an application for issuance of an accounting board demand or request should encourage the parties to reach such stipulations when possible.

(4) Witness Fees

A witness, other than a party, who is summoned to a Board proceeding pursuant to an accounting board demand, or an accounting board request, or who is deposed pursuant to Rule 5425, shall be paid his or her reasonable expenses by the party at whose instance the witness appears.

(b) Commission Subpoenas

In connection with any hearing ordered by the Board, and upon the application of any party or on its own initiative, the Board may seek issuance by the Commission of a subpoena to any person, including any client of a registered public accounting firm, requiring the person to provide any testimony or produce any documents that the Board considers relevant or material to a Board proceeding.

Rule 5425. Depositions to Preserve Testimony for Hearing

(a) Procedure

Any party desiring to take the testimony of a witness by deposition shall make a written motion setting forth the reasons why such deposition should be taken including the specific reasons why the party believes the witness will be unable to attend or testify at the hearing; the name and address of the prospective witness; the matters

concerning which the prospective witness is expected to be questioned; and the proposed time and place for the taking of the deposition.

Note: Depositions under the Rules of Board Procedure are used only to preserve testimony of a witness who would be unlikely to be able to attend the hearing. They are not permitted for purposes of discovery.

(b) Required Finding When Ordering a Deposition

In the discretion of the Board or the hearing officer, an order for deposition may be issued upon a finding that the prospective witness will likely give testimony material to the proceeding, that it is likely the prospective witness will be unable to attend or testify at the hearing because of age, sickness, infirmity, imprisonment or other disability, or otherwise unavailable, and that the taking of a deposition will serve the interests of justice.

(c) Procedure at Depositions

A witness whose testimony is taken by deposition shall be sworn or shall affirm before any questions are put to him or her. Examination and cross-examination of deponents may proceed as permitted at a hearing. The witness being deposed may have counsel present during the deposition.

(d) Objections to Questions or Evidence

Objections to questions or evidence shall be in short form, stating the grounds of objection relied upon. Objections to questions or evidence shall be noted in the transcript, but no person other than the hearing officer shall have the power to decide on the competency, materiality or relevance of evidence. Failure to object to questions or evidence during the deposition shall not be deemed a waiver unless the ground of the objection is one that might have been obviated or removed if presented at that time.

(e) Filing of Depositions

The questions propounded and all answers or objections shall be recorded or transcribed verbatim, and a transcript prepared by the deposition officer, or under his or her direction. The transcript shall be subscribed by the witness and certified by the deposition officer. The original deposition and exhibits shall be filed with the Secretary. A copy of the deposition shall be available to the deponent and each party for purchase at prescribed rates.

Rule 5426. Prior Sworn Statements of Nonparty Witnesses in Lieu of Live Testimony

At a hearing, any person wishing to introduce a prior, sworn statement of a nonparty witness otherwise admissible in the proceeding, in lieu of live testimony may make a motion setting forth the reasons therefor. If only part of a statement is offered in evidence, the hearing officer may require that all relevant portions of the statement be introduced. If all of a statement is offered in evidence, the hearing officer may require that portions not relevant to the proceeding be excluded. A motion to introduce a prior sworn statement of a nonparty witness in lieu of live testimony may be granted if –

- (a) the witness is dead;
- (b) the witness is out of the United States, unless it appears that the absence of the witness was procured by the party offering the prior sworn statement;
- (c) the witness is unable to attend or testify because of age, sickness, infirmity, imprisonment or other disability;
- (d) the party offering the prior sworn statement has been unable to procure the attendance of the witness by accounting board demand; or,
- (e) in the discretion of the Board or the hearing officer, it would be desirable, in the interests of justice, to allow the prior sworn statement to be used. In making this determination, due regard shall be given to the presumption that witnesses will testify orally in an open hearing. If the parties have stipulated to accept a prior sworn statement in lieu of live testimony, consideration shall also be given to the convenience of the parties in avoiding unnecessary expense.

Rule 5427. Motion for Summary Disposition

(a) For Interested Division

After a party has filed an answer and documents have been made available to that respondent for inspection and copying pursuant to Rule 5422, or after service of a motion for summary disposition by the respondent, the interested division may make a motion for summary disposition of any or all allegations of the order instituting proceedings with respect to that respondent.

(b) For Respondent

A respondent party may at any time make a motion for summary disposition of any or all allegations of the order instituting proceedings with respect to that respondent.

(c) Pre-motion Conference Required

A party seeking summary disposition shall request and attend a pre-motion conference with the hearing officer before filing its motion for summary disposition.

(1) Due-date for Filing

At the pre-motion conference, the hearing officer will schedule a due-date for the submission of the motion for summary disposition and may, but is not required to, schedule a due-date for the submission of a response to the motion for summary disposition.

(2) Review and Decide Procedure

If the hearing officer has not scheduled a due-date for a response to the motion for summary disposition, upon review of the motion the hearing officer may decide to deny the motion or to require a response to the motion. A hearing officer shall not grant a motion for summary disposition until after the due-date for filing a response to the motion has passed.

(d) Decision on Motion

The hearing officer shall promptly grant a motion for summary disposition if the pleadings, depositions, and admissions on file, together with the affidavits, if any, show that there is no genuine issue as to any material fact and that the moving party is entitled to a disposition as a matter of law. A summary disposition, interlocutory in character, may be rendered on the issue of liability alone although there is a genuine issue as to a sanction. A hearing officer's decision to deny a motion for summary disposition is not subject to interlocutory appeal.

(e) Lengths of Briefs

Neither a brief in support of a motion for summary disposition, nor a brief in response to such a motion, shall exceed 25 pages in length, without leave of the hearing officer. Reply briefs are discouraged and are not permitted without leave of the hearing officer.

APPEALS TO THE BOARD

Rule 5460. Board Review of Determinations of Hearing Officers

(a) Petition for Review of Initial Decision by Hearing Officers

Any party to a hearing may obtain Board review of an initial decision by filing a petition for review that –

(1) sets forth specific findings and conclusions of the initial decision as to which exception is taken, together with the supporting reasons for each exception; and

(2) is filed –

(i) in a proceeding instituted pursuant to Rule 5200(a)(1), Rule 5200(a)(2), or Rule 5500, within 30 days after service of the initial decision on the petitioner or within 10 days after the filing of a petition for review by another party, whichever is later; or

(ii) in a proceeding instituted solely pursuant to Rule 5200(a)(3), within 10 days after service of the initial decision on the petitioner.

(b) Review on Board's Initiative

The Board may, on its own initiative, order review of any initial decision, or a portion of any initial decision, at any time before the initial decision becomes final pursuant to Rule 5204(d).

(c) De Novo Review

Based on a petition for review, or on its own initiative, the Board may affirm, reverse, modify, set aside or remand for further proceedings, in whole or in part, an initial decision by a hearing officer and may make any findings or conclusions that in its judgment are proper based on the record.

(d) Limitations on Matters Reviewed

Review by the Board of an initial decision shall be limited to the issues specified in the petition for review or the issues, if any, specified in the briefing schedule order issued pursuant to Rule 5462(a). On notice to all parties, however, the Board may, at any time prior to issuance of its decision, raise and determine any other matters that it deems material, with opportunity for oral or written argument thereon by the parties.

(e) Summary Affirmance

The Board may summarily affirm an initial decision based upon the petition for review, without further briefing, if it finds that no issue raised in the petition for review warrants further consideration by the Board.

Note: For purposes of Rule 5460(a), with respect to any party that has entered an appearance and provided an electronic mail address as required by Rule 5401, service of the initial decision is deemed to occur on the date the Secretary transmits the initial decision to that electronic mail address.

Rule 5461. Interlocutory Review

(a) Availability

The Board will not review a hearing officer's ruling prior to its consideration of the entire proceeding in the absence of extraordinary circumstances. The Board may decline to consider a ruling certified by a hearing officer pursuant to paragraph (c) of this Rule if it determines that interlocutory review is not warranted or appropriate under the circumstances. The Board may, at any time, on its own motion, direct that any matter be submitted to it for review.

(b) Certification Process

A ruling submitted to the Board for interlocutory review shall be certified in writing by the hearing officer as appropriate for interlocutory review and shall specify the basis for certification. The hearing officer shall certify a ruling only if –

(1) the ruling would compel testimony of Board members, officers or employees or the production of documentary evidence in their custody; or

(2) upon application by a party, within five days of the hearing officer's ruling, the hearing officer is of the opinion that –

Public Company Accounting Oversight Board
Bylaws and Rules – Rules – Investigations and Adjudications

(i) the ruling involves a controlling question of law as to which there is substantial ground for difference of opinion; and

(ii) an immediate review of the order may materially advance the completion of the proceeding.

(c) Proceedings Not Stayed

The filing of an application for interlocutory review or the grant of interlocutory review shall not stay proceedings before the hearing officer unless he or she, or the Board, shall so order. The Board will not consider the motion for a stay unless the motion has first been made to the hearing officer.

Rule 5462. Briefs Filed with the Board

(a) Briefing Schedule Order

Upon a timely and valid petition for review, or upon its own timely motion to review an initial decision, other than review ordered pursuant to Rule 5469, the Board shall issue a briefing schedule order directing the parties to file opening briefs and specifying particular issues, if any, as to which briefing should be limited or directed. Unless otherwise provided, opening briefs shall be filed within 40 days of the date of the briefing schedule order. Opposition briefs shall be filed within 30 days after the date opening briefs are due. Reply briefs may be filed within 14 days after the date opposition briefs are due. No briefs in addition to those specified in the briefing schedule order may be filed except with leave of the Board. The briefing schedule order shall be issued –

(1) at the time the Board orders review on its own initiative pursuant to Rule 5460(b), or orders interlocutory review on its own motion pursuant to Rule 5461(a); or

(2) within 21 days, or such longer time as provided by the Board, after –

(i) the last day permitted for filing a petition for review pursuant to Rule 5460(a);

(ii) certification of a ruling for interlocutory review pursuant to Rule 5461(b).

(b) Contents of Briefs

Briefs shall be confined to the particular matters at issue. Each exception to the findings or conclusions being reviewed shall be stated succinctly. Exceptions shall be supported by citation to the relevant portions of the record, including references to the specific pages relied upon, and by concise argument including citation of such statutes, decisions and other authorities as may be relevant. If the exception relates to the admission or exclusion of evidence, the substance of the evidence admitted or excluded shall be set forth in the brief, in an appendix thereto, or by citation to the record. Reply briefs shall be confined to matters in opposition briefs of other parties.

(c) Length Limitation

Opening and opposition briefs shall not exceed 30 pages and reply briefs shall not exceed 15 pages, exclusive of pages containing the table of contents, table of authorities, and any addendum, except with leave of the Board.

Rule 5463. Oral Argument Before the Board

(a) Availability

The Board, on its own motion or the motion of a party, may order oral argument with respect to any matter. Motions for oral argument with respect to whether to affirm all or part of an initial decision by a hearing officer shall be granted unless exceptional circumstances make oral argument impractical or inadvisable. The Board will consider appeals, motions and other matters properly before it on the basis of the papers filed by the parties without oral argument unless the Board determines that the presentation of facts and legal arguments in the briefs and record and the decisional process would be significantly aided by oral argument.

(b) Procedure

Requests for oral argument shall be made by separate motion accompanying the initial brief on the merits. The Board shall issue an order as to whether oral argument is to be heard, and if so, the time and place therefor. The grant or denial of a motion for oral argument shall be made promptly after the filing of the last brief called for by the briefing schedule. If oral argument is granted, the time fixed for oral argument shall be changed only by written order of the Board, for good cause shown. The order shall state at whose request the change is made and the reasons for any such change.

(c) Time Allowed

Unless the Board orders otherwise, not more than one half-hour per side will be allowed for oral argument. The Board may, in its discretion, determine that several persons have a common interest, and that the interests represented will be considered a single side for purposes of allotting time for oral argument. Time will be divided equally among persons on a single side, provided, however, that by mutual agreement they may reallocate their time among themselves. A request for additional time must be made by motion filed reasonably in advance of the date fixed for argument.

Note: The term "side" is used in this Rule to indicate that the time allowed is afforded to opposing interests rather than to individual parties. If multiple parties have a common interest, they may constitute only a single side.

(d) Participation of Board Members

A member of the Board who was not present at the oral argument may participate in the decision of the proceeding, provided that the member has reviewed the transcript of such argument prior to such participation. The decision shall state whether the required review was made.

Rule 5464. Additional Evidence

Upon its own motion or the motion of a party, the Board may allow the submission of additional evidence. A party may file a motion for leave to adduce additional evidence at any time prior to issuance of a decision by the Board. Such motion shall show with particularity that such additional evidence is material and that there were reasonable grounds for failure to adduce such evidence previously. Any other party may file a response to the motion within 5 days after the motion is filed, or such longer time as the Board may allow. The Board may accept or hear additional evidence, or it may remand or refer the proceeding to a hearing officer for the taking of additional evidence, as appropriate.

Rule 5465. Record Before the Board

The Board shall determine each matter on the basis of the record.

(a) Contents of the Record

In proceedings for final decision before the Board, the record shall consist of –

- 5202(a);
- (1) all items part of the hearing record below in accordance with Rule
 - (2) any petitions for review, cross-petitions or oppositions; and
 - (3) all briefs, motions, submissions and other papers filed on appeal or review.

(b) Transmittal of Record to Board

Within 14 days after the last date set for filing briefs or such later date as the Board directs, the Secretary shall transmit the record to the Board.

(c) Review of Documents Not Admitted

Any document offered in evidence but excluded by the hearing officer or the Board and any document marked for identification but not offered as an exhibit shall not be considered a part of the record before the Board on appeal but shall be transmitted to the Board by the Secretary if so requested by the Board. In the event that the Board does not request the document, the Secretary shall retain the document not admitted into the record until the later of –

- (1) the date upon which the Board's order becomes final, or
- (2) the conclusion of any Commission and judicial review of that order.

The notice shall identify the petitioner and the action complained of, and shall be accompanied by a notice of appearance pursuant to Rule 5401(c). (b) Petition for Review

Within five days after the filing of a notice of intention to petition for review pursuant to paragraph (a) of this Rule, the person seeking review shall file a petition for

review containing a clear and concise statement of the issues to be reviewed and the reasons why review is appropriate. The petition shall include exceptions to any findings of fact or conclusions of law made, together with supporting reasons for such exceptions based on appropriate citations to such record as may exist. These reasons may be stated in summary form. The Board will review all actions made pursuant to delegated authority with respect to which timely notices of intention to petition for review, and timely petitions for review, have been filed.

(b) No Stay of Effect of Delegated Action

An action made pursuant to delegated authority shall have immediate effect and be deemed the action of the Board. The effect of any action made pursuant to delegated authority shall not be stayed, and no petition for review shall operate as a stay, unless otherwise ordered by the Board.

(2) Determinations as to a Particular Registered Firm With an Office in a Foreign Jurisdiction

The Board may determine that it is unable to inspect or investigate completely a registered public accounting firm that has an office that is located in a foreign jurisdiction because of a position taken by one or more authorities in a foreign jurisdiction.

(3) Timing of Board Determinations

Promptly after the effective date of this rule, the Board will make determinations under subparagraph (a)(1) or (a)(2) to the extent such determinations are appropriate.

Thereafter, the Board will consider, at least annually, whether changes in facts and circumstances support any additional determinations pursuant to subparagraph (a)(1) or (a)(2). The Board will make additional determinations under subparagraph (a)(1) or (a)(2), as and when appropriate, to allow the Commission on a timely basis to identify covered issuers pursuant to the Commission's rules.

(b) Factors for Board Determinations

When making a determination described in subparagraph (a)(1) or (a)(2), the Board will assess whether the position taken by the authority (or authorities) impairs the Board's ability to execute its statutory mandate with respect to inspections or investigations of such firm(s) in one or more of the following respects:

- (1) laws, statutes, regulations, rules, ordinances, and other legal authorities purporting to have or treated as having the force of law, and interpretations and applications thereof;
- (2) the existence or absence of any agreement (and, if applicable, the terms thereof) between the Board and any relevant foreign authority regarding the conduct of inspections and investigations, as well as the authority's (or authorities') interpretations of and performance under any such agreement; and
- (3) the Board's experience with respect to any relevant foreign authority's (or authorities') other conduct and positions taken relative to Board inspections or investigations.

(d) Commencement of Inspection or Investigation Not Required

A determination pursuant to subparagraph (a)(1) or (a)(2) need not depend on the Board's commencement of, but inability to complete, an inspection or investigation of a registered public accounting firm.

(e) Form and Publication of Board Determinations

(1) Board Reports to the Commission

When the Board makes a determination pursuant to subparagraph (a)(1) or (a)(2), its determination will be issued in the form of a report to the Commission. The report will describe the Board's assessment under paragraph (b) and the basis for the determination. An appendix to the report will identify the registered public accounting firm(s) to which the determination applies by (i) the name under which the firm is registered with the Board and (ii) the firm's identification number with the Board.

(2) Publication of Board Reports

Promptly after the issuance of a report pursuant to subparagraph (e)(1), a copy of the report will be made publicly available on the Board's website; provided, however, that the report's contents will be redacted to the extent required by Section 105 of the Act and applicable laws relating to the confidentiality of proprietary, personal, or other information.

A registered public accounting firm identified in an appendix to a report as referenced in subparagraph (e)(1) shall notify the Secretary of any change to the firm's information contained in the appendix within 5 days of such a change. The Board may issue an updated appendix to a report at any time. An updated appendix will be transmitted to the Commission, made publicly available in accordance with subparagraph (e)(2), and sent to registered public accounting firms that are listed in the appendix in accordance with subparagraph (e)(3). The issuance of an updated appendix does not constitute a reassessment of a determination under paragraph (h).

The Board's failure to send an issuer, broker, or dealer an invoice, or the failure to receive an invoice sent by the Board, shall not constitute a waiver of the Board's right to assess the issuer, broker, or dealer for its share of the accounting support fee or of the issuer's, broker's, or dealer's responsibility to pay its share of the accounting support fee.

(c) Petition for Correction

Any issuer, broker, or dealer who disagrees with the class in which it has been placed, or with the calculation by which its share of the accounting support fee was determined, may petition the Board for a correction of the share of the accounting support fee it was allocated. Any such petition shall include an explanation of the nature of the claimed mistake in classification or calculation in writing and must be filed with the Board, on or before the 60th day after the invoice is sent, or within such longer period as the Board allows for good cause shown. After a review of such a petition, the Board will determine whether the allocation is consistent with Section 109 of the Act and the Board's rules thereunder and provide the issuer, broker, or dealer a written explanation of its decision. The provisions of Rule 7104 shall be suspended while such a petition is pending before the Board.
